Unaltered Dog Release

The following section is intended for client's whose dogs will NOT be spayed or neutered prior to beginning their training program. If your dog is, or will be, spayed or neutered this section does not apply to you and you may skip over section (1f).

(1f) By signing the line below, the Client is declaring that the Dog is not spayed or neutered (hereby referred to as unaltered), and the Dog will be unaltered prior to beginning a program with Packwise Dog Training. The Client agrees to indemnify and hold the Packwise Dog Training harmless from and against any claims of injury, expense, cost, loss or damages caused by unaltered males and females dogs in heat and accepts full responsibility of the Dog's actions while the Dog is in or out of Packwise Dog Training's possession. The Client also understands that a training program will temporarily be postponed if a female dog enters her heat cycle during her training program and a \$50/night boarding fee will be charged to the Client for each night that the Dog's training program is put on hold due to her heat cycle. This boarding fee is due by 6pm (MST) daily as determined by Packwise Dog Training until the Dog has completed her heat cycle. The same payment fees and terms apply to this "heat boarding fee" as listed above. The Dog's training program will not begin again until the Dog has completed her full heat cycle and the Client understands that the Dog's program may need to be rescheduled entirely for a later date. A \$250 date change fee will apply for any program dates that must be altered due to a Dog's heat cycle. The Client agrees to release Packwise Dog Training of any legal or medical issues that may arise during a female's heat cycle and further understands and accepts all risks associated with unaltered dogs, including but not limited to infection, discomfort, accidental pregnancy, change in behavior or temperament, and aggressive outburst. Packwise Dog Training reserves the right to conclude the Dog's program for any reason related to the unaltered nature of the dog and the Client understands that no refund will be given to the Client for the unfinished portion of the Dog's program. The Client agrees and accepts all responsibility and fees with travel and delivery of their unaltered dog before and after the Dog's program, and in the event that Packwise Dog Training deems the Dog unfit to continue their program. Packwise Dog Training will work to create a safe and comfortable environment for females entering heat and will help to keep the Dog sanitary given that the Dog will allow physical touch and interactions. The Client agrees to supply a female dog specific diaper for any unaltered female completing a train and board style program. By signing below, the Client gives Packwise Dog Training full rights to seek medical attention for any issues related to the Dog's heat cycle and hereby agrees to reimburse Packwise Dog Training for any charges related to medical care including but not limited to treatment, travel expenses, medication, and emergency service fees.

Owner Agreement for Continuation of Training

(1g) By initialing where indicated at the end of this paragraph, the Client expressly acknowledges that there are no guarantees as to what is accomplished in training as there are so many factors for each dog when it comes to training successes including the length of time of the program, whether the dog has any prior training, genetics, prior bad experiences, age, and health of the dog. Even more important is the Client's understanding that continued training **MUST REGULARLY HAPPEN AT HOME BETWEEN DOG AND OWNER** after training programs have been completed. The specific commands, training style, and recommended tools used and recommended by Packwise Dog Training must be carried over in the Client's training with the Dog in order to continue and maintain training skills acquired by the Dog during their training program.
